Thank you for your help Troy. I will remove Aqua Utility, Inc. from the title and from the utilities list per your e-mail below.

I worked with Dorothy over the phone on this last week. We had worked it out already. However, based on our conversation with their attorneys yesterday, I think it is safe to remove "Aqua Utility, Inc.", since that company does not exist.

Good morning....we opened this docket yesterday (see title below) on a letter from Ken Hoffman to the Chairman. We are not sure of exactly which utilities are involved. Can you take a look and tell us definitely which company codes should be included in the docket?

Thanks....

Kay
