RE: Confidential Document No. 03681-01 in Docket No. 000061-EI

Kay Flynn notified our office that confidential Document No. 03681-01, filed in Docket 000006-EI, had been checked out but not returned. Marlene Stern, the lead attorney on the docket, and support staff diligently searched our office for the document, which could not be located. There is a large number of confidential documents associated with this Docket, and our staff thought that they had returned them all. All other confidential documents were returned.
