Re: Compliance Investigation of Campus Communications Group, Inc., for
apparent violation of Section 364.183(1), F.S., Access to Company
Records, Docket No. 060062-TX

Dear Ms. Bayó:

I was recently retained by Campus Communications Group, Inc., ("CCG"), P.O. Box 85, Champaign, Illinois 61824, (217) 353-3000, to represent them in the above-referenced matter. CCG respectfully requests an extension of thirty (30) days for the deadline to file a petition in this matter, and in the alternative, respectfully proposes the settlement offer below. This petition is timely filed as it is due by May 18, 2006, pursuant to agreement of the Public Service Commission (the "Commission") counsel and staff.

On April 24, 2006, CCG received notice via facsimile of the Commission's finding CCG in violation of Section 364.183(1), F.S., for failure to file its 2004 annual local competition report (the "Report"). CCG provided a response to the Commission by letter dated April 25, 2006 (see attached). Due to some confusion regarding the Report year at issues in the Commission's Notice of Proposed Agency Action, CCG provided information on its 2005 Report, instead of its 2004 Report.

Both prior to, and after my discussions regarding this matter yesterday and today with Ms. Watts and Ms. Scott, I further investigated the reasons why the response to the 2004 Report was not received by the Commission. CCG is a small competitive local exchange carrier and only provides local service to two apartment complexes in Florida. However, this Florida business and its relationship with the Commission are extremely important to CCG and to its long term plans for expansion. In 2005, CCG underwent extensive management changes. During the course of these changes, the post office box which was on file with the Commission was inadvertently closed, without the knowledge of the new management. Immediately upon notification by the Commission in 2005 that mail was being returned from this post office box, CCG updated its address and put in place measures to ensure that future communications from the Commission would be promptly and properly addressed. At the time of this communication with the Commission regarding its updated address, CCG was not aware that it had failed to file a 2004 Report.

Ms. Melinda Watts

May 17, 2006

To ensure that all future Reports are timely filed with the Commission, CCG has placed the filing deadline on two separate internal regulatory calendars with automatic reminders, and assigned responsibility to two high-level employees of the corporation to ensure the filing is promptly and properly filed. In addition, CCG has retained my firm to assist it with regulatory compliance.

CCG respectfully proposes a settlement of \$1,000.00 for its failure to timely file a response to the Report. A \$1,000.00 fine is a significant penalty for CCG. As I mentioned previously, CCG only provides services to two apartment complexes in Florida, although they are hoping to expand in coming years. CCG is now fully apprised of the requirement to file the annual Report and appreciates its importance to the Commission and to the Commission's goal of maintaining a competitive marketplace. As additional evidence of CCG's commitment to compliance, CCG filed their 2005 Report and paid their 2005 Regulatory Assessment Fees, including penalties and interest, prior to receiving notice of the above-referenced docket.

I would like to avoid the expense to my client of time to appear, but would be happy to do what the Commission requires. We sincerely request the Commission's indulgence as CCG improves its internal processes and hope you will accept this offer of settlement. If you have any questions or would like to discuss this matter, please do not hesitate to contact me at (850) 222-7500.

Sincerely,

HOPPING GREEN & SAMS

FPSO-COMMISSION CLERK

I. Case Background

Section 364.386, Florida Statutes, requires this Commission to submit a report to the Legislature on December 1st of each year on the status of local competition in the telecommunications industry. To obtain the data required to compile this report (hereinafter referred to as the "local competition report") each year, our staff mails data requests via United States Postal Service (U.S.P.S.) Certified Mail to all certificated incumbent and competitive local exchange telecommunications companies (ILECs and CLECs) in Florida in early June, with a response date due in mid-July. For the companies that do not respond by the due date, our staff sends a second letter via U.S.P.S. Certified Mail with a due date in the first week of August. Since there are several hundred active CLEC certificates each year (over 400 as of the date of this filing), our staff strongly encourages all companies to file these responses by the July due date to be able to compile the report in a timely manner.

On June 3, 2005, our staff mailed the initial data request to each of the four CLECs listed in Attachment A with a response due date of July 15, 2005. Of the four CLECs listed in Attachment A, one signed the certified mail receipt indicating it had received the data request. For the remaining CLECs, the U.S.P.S. returned the requests marked as undeliverable for differing reasons such as "moved, left no forwarding address", "attempted not known", and "box closed."

On July 19, 2005, our staff sent a second certified letter to the one CLEC that had originally signed the certified receipt for the first data request. For this CLEC, the U.S.P.S. returned the mail-out marked "unclaimed." The U.S.P.S. makes three attempts to deliver a certified mailing, and if unsuccessful, returns it to the sender. Our staff did not send a second certified letter to the remaining CLECs because the companies failed to provide this Commission a valid mailing address.

Both the June 3, 2005, and July 19, 2005, letters referenced Section 364.285(1), Florida Statutes, and notified the recipients of the possible consequences of failure to provide the requested information. To date all of the CLECs listed in Attachment A have failed to pay their 2005 Regulatory Assessment Fees.

We are vested with jurisdiction over these matters pursuant to Sections 364.183, 364.285 and 364.386, Florida Statutes.

II. Analysis:

As stated in the Case Background, our staff needs information contained in the company records of all Florida ILECs and CLECs to compile its annual local competition report for the Legislature. Section 364.183(1), Florida Statutes, Access to Company Records, states in part:

The Commission shall have access to all records of a telecommunications company that are reasonably necessary for the disposition of matters within the Commission's jurisdiction. The Commission shall also have access to those records of a local exchange telecommunications company's affiliated companies, including its parent company, that are reasonably necessary for the disposition of any matter concerning an affiliated transaction or a claim of anticompetitive behavior including claims of cross-subsidization and predatory pricing. The Commission may require a telecommunications company to file records, reports or other data directly related to matters within the Commission's jurisdiction in the form specified by the Commission and may require such company to retain such information for a designated period of time.

A company's failure to respond to our staff's data request effectively denies our staff access to its company records. It is imperative that we receive 100% participation to accurately reflect the status of local telecommunication competition to the Legislature and the Governor. Since the 2005 local competition report has already been submitted to the Legislature, it is too late for data from the CLECs listed in Attachment A to be included. However, pursuant to Section 364.183(1), Florida Statutes, all ILECs and CLECs shall timely respond to our staff's data requests for future reports.

Pursuant to Section 364.285(1), Florida Statutes, this Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each day a violation continues, if such entity is found to have *refused to comply with* or to have *willfully violated* any lawful rule or order of this Commission, or any provision of Chapter 364, Florida Statutes.

Section 364.285(1), Florida Statutes, however, does not define what it is to "willfully violate" a rule or order. Nevertheless, it appears plain that the intent of the statutory language is to penalize those who affirmatively act in opposition to a Commission order or rule. See, Florida State Racing Commission v. Ponce de Leon Trotting Association, 151 So.2d 633, 634 & n.4 (Fla. 1963); c.f., McKenzie Tank Lines, Inc. v. McCauley, 418 So.2d 1177, 1181 (Fla. 1st DCA 1982) (there must be an intentional commission of an act violative of a statute with knowledge that such an act is likely to result in serious injury) [citing Smit v. Geyer Detective Agency, Inc., 130 So.2d 882, 884 (Fla. 1961)]. Thus, a "willful violation of law" at least covers an act of commission or an intentional act.

However, "willful violation" need not be limited to acts of commission. The phrase "willful violation" can mean *either* an intentional act of commission or one of omission, that is *failing* to act. See, Nuger v. State Insurance Commissioner, 238 Md. 55, 67, 207 A.2d 619, 625 (1965)[emphasis added]. As the First District Court of Appeal stated, "willfully" can be defined as:

An act or omission is 'willfully' done, if done voluntarily and intentionally and with the specific intent to do something the law forbids, or *with the specific intent to fail to do something the law requires to be done*; that is to say, with bad purpose either to disobey or to disregard the law.

Metropolitan Dade County v. State Department of Environmental Protection, 714 So.2d 512, 517 (Fla. 1st DCA 1998)[emphasis added]. In other words, a willful violation of a statute, rule or order is also one done with an intentional disregard of, or a plain indifference to, the applicable statute or regulation. See, L. R. Willson & Sons, Inc. v. Donovan, 685 F.2d 664, 667 n.1 (D.C. Cir. 1982).

Thus, the failure of each of the companies listed in Attachment A to allow staff access to its respective company records meets the standard for a "refusal to comply" and "willful violation" as contemplated by the Legislature when enacting Section 364.285, Florida Statutes.

"It is a common maxim, familiar to all minds, that 'ignorance of the law' will not excuse any person, either civilly or criminally." Barlow v. United States, 32 U.S. 404, 411 (1833); see, Perez v. Marti, 770 So.2d 284, 289 (Fla. 3rd DCA 2000) (ignorance of the law is never a defense). Moreover, in the context of these dockets, all competitive local exchange telecommunications companies, like the companies listed in Attachment A, are subject to the statutes published in the Florida Statutes. See, Commercial Ventures, Inc. v. Beard, 595 So.2d 47, 48 (Fla. 1992).

Further, the amount of the proposed penalty is consistent with penalties previously imposed by this Commission upon other telecommunications companies that have failed to provide a response to a data request, thereby denying staff access to their records. Therefore, we find that a penalty in the amount of \$10,000 on each of the companies listed in Attachment A or cancel each company's respective certificate, as listed in Attachment A, for its apparent violation of Section 364.183(1), Florida Statutes, Access to Company Records.

III: Decision

We hereby impose a penalty in each respective docket in the amount of \$10,000 for the company's apparent violation of Section 364.183(1), Florida Statutes. This Order shall be final and effective upon issuance of a Consummating Order in each respective docket, unless a person whose substantial interests are affected by our decision in a given docket files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of that docket's Proposed Agency Action Order. As provided by Section 120.80(13) (b), Florida Statutes, any issues not in dispute shall be deemed stipulated. If any of the companies listed in Attachment A fails to timely file a protest in its respective docket and request a Section 120.57, Florida Statutes, hearing, the facts in that docket shall be deemed admitted, the right to a hearing waived, and the penalty shall be deemed assessed. If any of the companies listed in Attachment A fails to pay the penalty within fourteen (14) calendar days after the issuance of the Consummating Order in its respective docket, the company's CLEC certificate, as listed in Attachment A, shall be canceled. If a company's certificate is canceled in accordance with this Order, that company shall be required to immediately cease and desist providing telecommunications services in Florida. These dockets shall be closed administratively upon either receipt of the payment of the penalty imposed in the respective docket or upon the cancellation of the respective company's certificate. A protest in one docket shall not prevent the action in a separate docket from becoming final.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby impose a penalty upon each company listed in Attachment A in the amount of \$10,000 for the company's apparent violation of Section 364.183(1), Florida Statutes. It is further

ORDERED that this Order shall be final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by this Commission's decision files a protest that specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of that docket's Proposed Agency Action Order. It is further

ORDERED that as provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute shall be deemed stipulated. If any of the companies listed in Attachment A fails to timely file a protest in its respective docket and request a Section 120.57, Florida Statutes, hearing, the facts in that docket shall be deemed admitted, the right to a hearing waived, and the penalty shall be deemed assessed. It is further

ORDERED that if the company in its respective docket fails to pay the penalty within fourteen (14) calendar days after the issuance of the Consummating Order in its respective docket, the company's CLEC certificate, as listed in Attachment A, shall be canceled. If a company's certificate is canceled in accordance with this Order from this recommendation, that company shall be required to immediately cease and desist providing telecommunications services in Florida. It is further

RE: Order No. PSC-06-0342-PAA-TX
Docket No. 060062-TX

Dear Director:

On April 24, 2006 I received a faxed copy of Docket No. 6060062-TX stating that Campus Communications Group, Inc. is going to be fined for not updating and making our company information available to the Commission, and for not paying our 2005 Regulatory Assessment Fees. To my knowledge, CCG has done everything required to stay in compliance with Florida Regulations.

In August of 2005 I received a call from a clerk of the Commission stating that our company information needed to be updated. I filled out the appropriate form and faxed it to the Commission on 8/10/05. Since that time I have been receiving updates and mailings from the Commission.

On February 27, 2006 I received two certified letters stating that I had not filed and paid the 2005 Regulatory Assessment Fees. I mailed these two returns on March 8, 2006 and paid penalties and interest for filing late. My bank account shows that check numbers 3523 and 3524 were cashed on March 20, 2006 and March 17, 2006 respectively.

It is my utmost intention to stay in compliance with the Commission. I would appreciate any guidance you could give me in clearing up this issue. Please contact me at robin.brown@fusionbroadband.com or 217-353-3019 if you have any questions.
