Dorothy, this is a pure adoption - I have confirmation from BellSouth - so you can remove the Statutory Deadline, and change the Program/Module/Submodule from "1/20/a" to "1/20/d". I hope this makes sense.

Dorothy, this is a heads-up.

The above agreement is shown in CMS as an Adoption with modifications with a statutory deadline of May 15, 2006. After careful review, I believe this is a pure adoption which doesn't require a statutory deadline. (The memo and close dates are appropriate.) I'm waiting for confirmation from BST that this is a pure adoption and will let you know as soon as I hear back from them.

In addition to the above, if/when we change the docket title, "Advantage Group Communications, L.L.C." can be removed because it is the TN company (as referenced in the opening paragraph of the adoption papers.) I'm not sure why BST included this name in their transmittal letter.
