I have the document. Will mark it nonconfidential with yellow note. It should not however be in PDF. It is same testimony that was filed a month earlier and also is not in PDF out of courtesy to Verizon for numbers that Bell put in their testimony.

Per BellSouth's 5/11/06 CORRECTED letter (see attachment) withdrawing their notice of intent of Confidential Document No. 10946-05,

Is it OK to declassify and place this document in the public docket file ?

Marguerite.
