Subject: Petition for Rate Increase

Hi Patti,

CCA has received a (letter) petitioning the PSC for a limited alternative rate increase from Pinecrest Ranches, Inc. Could you review this document and advise if we should open a docket for a rate increase? I have entered the document in Docket 060000 (DN 04506-06) pending a request to establish docket from ECR.

Thank you for your help!

Dorothy
