AFFIDAVIT OF KOREL M. DUBIN

BEFORE ME, the undersigned authority, personally appeared Korel M. Dubin who, being first duly sworn, deposes and says:

1. My name is Korel M. Dubin. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Regulatory Issues in the Regulatory Affairs Department. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 06-046-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute customer-specific account information, including banking account numbers. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

AFFIDAVIT OF OSVALDO J. LOM

BEFORE ME, the undersigned authority, personally appeared Osvaldo J. Lom who, being first duly sworn, deposes and says:

1. My name is Osvaldo J. Lom. I am currently employed by Florida Power & Light Company ("FPL") as Supervisor of Purchased Power Contracts. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 06-046-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain competitively sensitive contractual data that, if disclosed, would place FPL at a competitive disadvantage. Certain proprietary confidential information concerns billing statements for purchase power from several entities, and the disclosure of this information would injure those entities in the marketplace.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
