Subject: RE: Seminole Electric Coop.

Mr. Keyser, this document was received in the PSC's e-filings inbox at 5:11 p.m. on June 2nd. Uniform Rule 28-106.104(3), F.A.C., states, "Any document received by the office of the agency clerk after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day." Thus the document was printed today and stamped with today's filing date (June 5, 2006).

After the document had been logged in, it was brought to my attention that it is lacking a certificate of service. Rule 28-106.104 (4), F.A.C., states, "Whenever a party files a pleading or other document with the agency, that party shall serve copies of the pleading or other document upon all other parties to the proceeding. A certificate of service shall accompany each pleading or other document filed with the agency." Thus, while the document has been printed and placed in the docket file, it is not considered a complete filing.

Please let me know if questions.
