 Subject: 060209-TP - BST/TelCove Operations, Inc. - Adoption of 050466-TP (BellSouth/KMC Data)

Dorothy,

Please change the title for the above docket to remove "with modifications" since this is a pure adoption with no modifications or amendments; change the CLEC name in the title from "TelCove Operation, Inc." to "TelCove of Jacksonville, Inc. and TelCove Investments, LLC". (TelCove Operations appears to be the parent entity of TelCove of Jacksonville, Inc. and TelCove Investments, LLC.) The above entities are listed in "Part A" of the adoption papers (page 6 of 7 in the PDF document) as the names of their Florida operations.

In addition to changing the docket title, please add the following company codes to the list of utilities: TA003 and TX278.

Also, since this is a pure adoption (2.07.C.5.b, APM), please remove the "statutory deadline" event as it is not required.

Please let me know if you have any questions.
