**PROGRESS ENERGY FLORIDA INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Progress Energy Florida, Inc., ("PEF" or "Company"), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Request for Confidential Classification for certain information provided in PEF's petition ("Petition") for approval of a negotiated purchase power contract with Florida Biomass Energy Group, LLC ("Biomass") filed with the Florida Public Service Commission on May 25, 2006. In support of this Request, PEF states:

1. On May 25, 2006, PEF filed a Notice of Intent to Request Confidential Classification regarding the Petition in this matter. The Petition contains negotiated confidential terms that are "proprietary business information" under Section 366.093(3), Florida Statutes.

2. The following exhibits are included with this request:

(a) Sealed Composite Exhibit A is a package containing unredacted copies of all the documents for which PEF seeks confidential treatment. Composite Exhibit A is being submitted separately in a sealed envelope labeled "CONFIDENTIAL." In the unredacted versions, the information asserted to be confidential is highlighted by yellow marker.

(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which PEF requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a table which identifies by page and section the information for which PEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

3. As indicated in Exhibit C, the information for which PEF requests confidential classification is “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. In support of and in conjunction with this request for confidential classification, please see the Affidavit of Michael T. Keen filed in this docket on May 31, 2006. As stated in that affidavit, the competitively negotiated contractual information at issue is especially sensitive in the relevant market. The disclosure of the information in question would impair the efforts of the Company, and/or Biomass, to competitively negotiate renewable energy contracts on favorable terms. *See* § 366.093(3)(d), F.S.; Affidavit of Michael T. Keen at ¶ 5. Furthermore, the confidential terms set forth in the petition relate to the general competitive interests of PEF and Biomass, the disclosure of which would risk their relative competitive negotiating ability. *Id.* § 366.093(3)(e); Affidavit of Michael T. Keen at ¶ 6. Accordingly, such information constitutes “proprietary confidential business information” which is exempt from disclosure under the Public Records Act pursuant to Section 366.093(1), F.S.

4. The information identified as Exhibit “A” is intended to be and is treated as

confidential by the Company. Affidavit of Michael T. Keen at ¶ 7. The information has not been disclosed to the public, and the company has treated and continues to treat the information and contracts at issue as confidential. Affidavit of Michael T. Keen at ¶ 7.

5. PEF requests that the information identified in Exhibit A be classified as “proprietary confidential business information” within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, PEF respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 15th day of June, 2006.
