Kay, I just noticed this is an 05 filing. I had assumed it was in the current year (which are updated every 2 h). Older filings are updated daily at 5:30 am. I'll handle this one manually.

Benjie, I just checked the PDF on the Website, and it still includes the pages Marguerite deleted here.

Can you check on it please?

Thanks.

Kay, you are assuming correctly. Even if the file has the same name, the updating routine should detect a newer modification date and automatically replace the old PDF with the newer copy of the same name. If you encounter any problems, let me know.

i have deleted pages 12-42 from the PDF document. Since i didn't change the name of the PDF, the pages will be deleted automatically by the system on the PSC web-site.

Marguerite, please delete from this scanned document pages 12 through 42. Those pages contain financial statements which the company's attorney had not intended to file as public. I talked this morning with the attorney, Marty Friedman, and he asked that we delete the PDF. He understands the intact document will remain in the docket file.

Once you've deleted the pages from the PDF, pls contact ITS and have them substitute the revised PDF on the Website ASAP.

Please let me know when this has been done.

Thanks.
Kay
