**FROM:** Cheryl A. Johnson, Regulatory Analyst IV, Division of Economic Regulation

**RE:** Docket No. 060352-WS; Application for certificates to provide water and wastewater service in Polk County by Island Club West Development Inc.

Please note that Docket No. 060352-WS is an application for authority to transfer majority organizational control in Highlands County from Country Club of Sebring, Inc. to Country Club Utilities, Inc. The utility's stock was transferred to the son of the utility owner. The name of the utility was subsequently changed after the golf course was sold to another party. The name was changed to avoid confusion with the golf course. The utility initially assumed that it only needed to file an application for a name change. However, there has been a change in the majority stockholder which requires an application for authority to transfer majority organizational control.
