Re: Addendum to June 7, 2006 Letter Requesting Cancellation of CLEC Certificate of Public Convenience and Necessity ("CNN") No. 8132 and Acknowledgement of Cancellation of IXC Registration No. TJ805 held by Utilities Commission, New Smyrna Beach d/b/a Sparks Communications as of August 1, 2006

Dear Ms. Bayó:

In our letter dated June 7, 2006, the Utilities Commission, New Smyrna Beach ("Applicant") respectfully asked for cancellation of the captioned CNN¹ and Registration effective August 1, 2006. In addition, upon exit from the market, Applicant also requested that all price lists and tariffs be cancelled.

In speaking with your representative Paula Isler, it is our understanding that some clarification of our standing in regard to payment of regulatory assessment fees (RAF) is needed in order to bring the matter to a close. It is the intention of the Utilities Commission, New Smyrna Beach, that all outstanding regulatory assessment fees (RAF) will be filed and paid on or before September 1, 2006. Furthermore, it is our understanding that this clarification may enable staff to place our request for cancellation on the July 19 Florida Public Service Commission docket. We would appreciate this consideration.
