Kay, you can go ahead and issue the consummating order. I learned from Cheryl and Rhonda that this is a customer complaint involving application of the old tariff back in September. Thanks.

Rhonda, would you see if you can track this down on your side? The Commission issued an order approving modifications to this Peoples' tariff on March 14. The protest period ran til April 4. Kay Flynn doesn't see anything in the docket file. She is going to hold off issuing the consummating order (which was due today) until we can track this down.

Subject: Looking for a complaint

Good Morning All,

I have been told by a customer (Adam Cummins) that he filed a formal complaint with the Commission regarding Peoples Gas' alert day penalties. He originally filed an information request which was sent to this bureau. He left me a voice mail that said he filed a formal complaint and has some questions about the procedure. I can't locate the complaint in the CATS system. Have any of you seen this complaint?
