RE: Confidential Document No. 05866-06 *undocketed*

Verizon filed the above referenced document on June 30, 2006, in support of its tariff filing to increase rates for certain non-basic services. I have reviewed the same material in a meeting with Verizon and have no need to view the confidential document. Since the rate increases are within the statutory limits, no hearing is anticipated, and I would like to request that the document be returned to the company. Thank you for your assistance.
