Dorothy,

I've reviewed the above docket and have determined it should be styled as a pure adoption. BellSouth's letter indicating modifications are made to the underlying agreement appears to be in error because I didn't see anything within the adoption papers modifying the underlying agreement.

Please change the docket title: to remove "with modifications" and to show this as a pure adoption (per 2.07.C.5.b APM); in addition to this change, the event codes should be changed to include only a memo to docket file (and date) and a close docket date. Besides the change to the title removing "with modifications", the CLEC name should be changed to show it as it appears in MCD - TWC Information Services (Florida) LLC d/b/a Time Warner Cable (TX835).
