Good morning again.

David, payment was postmarked at least on 03/14/06. The check was received by the Commission on 03/15/06 (I confirmed this in the Check Reconciliation System). Since the envelope was UPS overnighted to us, payment had to have been sent at least the day before, or March 14, 2006. This means payment was postmarked on the last day it could to avoid the \$500 fine.

Kay, please remove this company from Docket No. 060466-TI.

Thanks.
