Issue 2: What are the appropriate rates and charges for Zachary Taylor Camping and Lodge, Inc.?

Recommendation: The current monthly general service flat rate of \$23.10 per unit for Taylor Creek should be continued. In addition, the utility should be authorized to charge \$23.10 for each lot and common facility in the RV Park. Any monthly charges for the RV Park not collected should be imputed. The utility should be required to charge this rate until authorized to change it by this Commission in a subsequent proceeding. The utility should also be required to provide a tariff reflecting the Commission-approved rate within 30 days from the date of the Consummating Order. Pursuant to Rule 25-30.475(1), Florida Administrative Code, the effective date of the tariffs should be the stamped approval date.

Issue 3: Should this docket be closed?

Recommendation: No. If no timely protest is received to the proposed agency action issue on rates and charges, the Order will become final upon the issuance of a Consummating Order. However, the docket should remain open pending receipt of revised tariff sheets reflecting the Commission-approved rate. Upon receipt and verification of the revised tariff sheets, the docket should be administratively closed.
