Re: Windstream Florida response to local competition data request

Dear Ms. Bayo:

On July 13, 2006 Windstream Florida (formerly known as Alltel Florida) filed its responses to the Commission Staff's 2006 ILEC Local Competition Data Request. In that filing, the Form 477 (filed confidentially with the FCC) was inadvertently excluded. It attached to this letter in response to question 11.

Pursuant to Section 364.183(1), Florida Statutes, and Section 25-22.006(5), Florida Administrative Code, Windstream Florida hereby gives notice of its claim that the data included in this response is proprietary confidential business information. The information that is the subject of this Notice is provided only because of and pursuant to a requirement of the Florida Public Service Commission. Therefore, to the extent that Windstream claims that the information is confidential, the information is deemed confidential by operation of law.

Please acknowledge receipt of this filing by stamping a copy of this letter and returning it to me. If you have any questions, please do not hesitate to call me at 501-748-5692.

Sincerely,

Betty J. Willis
