Subject: Docket No. 050595-WS

Dear Ms.Gervasi

The purpose of this communication is to request that a formal hearing be held regarding the Docket No. 050595.

I have been on a vacation for the last 21 days and did not receive your letter that was sent to our Mr. Mike Flynn until yesterday. I will follow up this communication with a hard copy today.

We intend to have an attorney represent us to voice objections and show evidence of incompetence, inability to read meters accurately and on a regular basis as well as many other serious deficiencies at the hearing.

Thank you for your consideration in this matter.

Respectfully Yours
