Good morning Mr. Barnicle, we have received your request for an IXC registration and CLEC application filed by Mr. Crocker which are being processed. Would you please verify your Company's FAX number? The one listed on both forms is (312) 264-0179, but when we dial that number the operator states that "this number is not in use." We need to know if this is correct or if Mr. Crocker listed a wrong number on the forms, if not correct we need to have a good number to list in our files. Thank you for your help in this matter.
