Toni,

Pursuant to our conversation earlier today, I am requesting that the Commission ~~remove the Clear Choice Communications trade name from Comtel's CLEC certification.~~ Comtel will continue to operate under the Clear Choice Communications name for its interexchange services, but the Company does not need to retain the ability to use the Clear Choice Communications name for its local exchange operations. Please make this change effective as soon as practical for the Commission's schedule.

I sincerely appreciate your assistance with this matter. Please contact me directly if you have questions or need more details before moving ahead with this request.
