RE: Year 2006 Local Competition Report Data Request
Qwest Communications Corporation's Response

Dear Ms. Salak:

Enclosed you will find three CDs, one labeled "confidential", two labeled "public".

On July 12 we submitted our response to the PSC's 2006 Local Competition Report Data Request. Mr. Vic Cordiano has informed us that on the FCC Form 477 provided with that response, cells i - j of Part IIA are blank. The information that should have been included in those cells is provided in electronic format on the enclosed non-confidential CD.

Mr. Cordiano has also requested an electronic copy of the previously filed CLEC Data Tables and the Exchange Checklist. That information is being provided in electronic format on the enclosed CDs. As stated in my July 12 letter, confidential information in CLEC Data Tables, Table 3, cells C:22, C:23, C:24 and C:25 is being provided pursuant to Section 364.183(1), Florida Statutes. Additionally, the Exchange Check List provided on July 12 was inadvertently provided as a non-confidential document. The Exchange Check List is being re-submitted as a confidential document pursuant to Section 364.183(1), Florida Statutes. Please destroy the original Exchange Check List that was provided on July 12. In addition to the confidential copy of these documents, two copies for public inspection are also provided on CD.
