Subject: Docket title change - Docket No. 060530-TP

Kay,

Ray wants me to handle "new Supra's" request for name change administratively in this docket once it has acquired "old Supra's" current name from the Secretary of State. Since the name change language needs to be in the title for that, please change the docket title as follows. I have put the added language in bold since it is in the middle of the title.

Joint petition for transfer of CLEC Certificate 4861 and PATS Certificate 5922 from Supra Telecommunications and Information Systems, Inc. to Supra Telecommunications and Information Systems Acquisition Corp.; for acknowledgment of registration of Supra Telecommunications and Information Systems Acquisition Corp. as an interexchange telecommunications company effective 8/1/06; **for a name change on CLEC Certificate 4861, PATS Certificate 5922 and IXC Registration TK091 from Supra Telecommunications and Information Systems Acquisition Corp. to Supra Telecommunications and Information Systems, Inc.**; and request for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., due to acquisition of assets, including operations and local exchange and interexchange customers, of Supra Telecommunications and Information Systems, Inc. by Supra Telecommunications and Information Systems Acquisition Corp., a newly created, wholly owned subsidiary of Cleartel Communications, Inc.

I don't have a known effective date since it has not yet acquired the name. New and old Supra have assured staff that the name change with the Secretary of State will be complete by the time the Consummating Order is issued. Please let me know if I need to do something differently.

Thanks.

Melinda
