Subject: Oral Modification for Docket 060430 for the 8/15/06 Agenda

Dear Dr. Bane,

Staff requests the opportunity to make an oral modification for Docket No. 060430 to address a clarification. This item is currently Item # 3 for the August 15th, 2006 Agenda.

At the bottom of page 3 through page 4 of the recommendation, staff requests that the language: "Other individuals have access to purchase from FTRI the many different specialized telecommunications devices and ring signaling devices. The public is also able to purchase CPEs through Internet vendors, catalogs and FTRI's regional distribution centers. " be clarified to reflect the following " **Other individuals have access to purchase the many different specialized telecommunications devices and ring signaling devices from most of FTRI's regional distribution centers. The public is also able to purchase CPEs through Internet vendors and catalogs.**"

Thank you,

Lee Eng Tan
