Re: Sunesys, Inc.

**Application for Authority to Provide Competitive Local Exchange
Telecommunications Company Service Within the State of Florida**

Dear Sir/Madam:

Transmitted herewith on behalf of Sunesys, Inc. is an original and two (2) paper copies of Sunesys' "Application for Authority to Provide Competitive Local Exchange Telecommunications Company Service Within the State of Florida" ("Application"). In connection with the Commission's processing of the enclosed Application, the following is noted:

1. Scope of Service

CMP 1
COM 1
CTR 1
ECR 1
GCL 1
OPC 1
RCA 1
SCR 1
SGA 1
SEC 1
OTH 1
As discussed with Commission staff, it is noted that upon grant of the instant Application, Sunesys intends to initially provide solely private line, non-switched, digital fiber-optic network service capable of providing a multitude of high-speed dedicated access and multiplexing services to large commercial, non-profit and government entities. Sunesys intends to initially provide data services only and does not initially intend to offer either voice grade service or dial tone service. As a result of this initial plan, it is Sunesys' understanding that submission of a tariff is not necessary with respect to this Application. If in the future Applicant intends to offer voice grade/dial tone service to end users, Sunesys will file the appropriate tariff with the Commission.

2. Confidentiality Request

As set forth herein, segregated from this publicly available application material, in a sealed envelope, are the following documents of Sunesys, demonstrating its financial capability to provide the requested services: Sunesys' Balance Sheets, Income Statements and Statements of

Exhibit 1

Response to Items 18(a) and (b) - Managerial and Technical Capability

Managerial and Technical Capability

Sunesys, Inc.'s senior management team brings nearly 100 combined years of telecommunications experience in successfully developing, growing and operating telecommunications businesses. Summaries of each individual's relevant experience are set forth below:

Lawrence P. Coleman, RCDD - President and CEO

Mr. Coleman has twenty (20) years experience in utility & telecommunication operations. From 1980 through 1987 he was employed with Atlantic Electric (now known as Connectiv). Projects in which he was involved at Atlantic Electric included construction and maintenance upgrades at various company production, transmission and distribution facilities. Since 1987 Mr. Coleman has been with Sunesys managing the telecommunications engineering and technical services sections of the company. Today, Mr. Coleman is the President and CEO of the company. Mr. Coleman graduated from Drexel University in 1980 with a BS in Civil Engineering. He presently holds an E.I.T. Certificate in Pennsylvania and is a licensed private pilot. He is a Registered Communications Distribution Designer (RCDD) and a LAN Specialist as certified by BICSI.

William P. Coleman, RCDD, Senior Vice President - Operations

Mr. Coleman has over twenty-three (23) years experience in utility contracting and construction. He has managed field operations, maintenance and administrative functions in various capacities. As Chief Operations Officer, he is responsible for the profitable operation of the company. Upon graduation from Delaware Valley College in 1981 with a BS degree in Accounting and Business Administration he and Jack Coleman joined forces in establishing Sunesys. Bill is a BICSI member, a Registered Communication Distribution Designer (RCDD), and a Registered BICSI Installer. He is fully experienced in day-to-day project administration and presently oversees the operations and financial departments of the company.

Alan Katz, Senior Vice President - Construction

Mr. Katz has over twenty (20) years experience in inside and outside plant engineering and construction. After graduating from LaSalle University with a Degree in Computer Science in 1981, Mr. Katz joined Engineering Associates performing Outside Plant engineering services for Bell of Pennsylvania. In 1980 he began working with EA Design, Ltd., designing inside and outside cabling plant for clients such as TCI, UltraCom, Bell of PA, and Diamond State Telephone among others. In 1990 Mr. Katz formed his own business, Urban Design, continuing outside and inside plant engineering. In 1996 Mr. Katz began work with Sunesys, Inc. as a project engineer. He is fully SIECOR trained and certified in all aspects of fiber design, placing, and termination.

Walt Tustin, Director of Network Services

Mr. Tustin has over ten (10) years of technical experience in field operations. Beginning his career as a field technician, he is qualified in the media management of both phone and data systems. Mr. Tustin is trained in all fiber elements, including design, splicing,

and termination for WAN's and LAN's. He holds current certifications from Fujikura, Siecor, Aurora, Berktek and 3Com in both multimode and singlemode fiber technologies and networking equipment. Mr. Tustin currently manages the physical WAN and LAN systems Sunesys, Inc. has in place. Mr. Tustin earned a degree in Mechanical Engineering Technologies and is a certified BICSI Trainer.

Finally, in addition to its senior management team, Sunesys, Inc. has approximately 95 other employees who average in excess of 10 years experience in various areas of the telecommunications industry.

Response to Item 18(c) - Financial Capability

**NOTE: REQUEST FOR CONFIDENTIALITY
CONFIDENTIAL MATERIALS SEGRGATED IN SEALED ENVELOPE**

Sunesys has access to the necessary financial resources to provide the services for which authority is requested herein, and to finance its operations in order to maintain the provision of these services.

Segregated from this publicly available application material, in a sealed envelope, are documents of Sunesys, demonstrating its financial capability to provide the requested services, including Sunesys' Balance Sheet, for the most recent 3 years; Sunesys' Income Statement, for the most recent 3 years; and Sunesys' Statement of Retained Earnings, for the most recent 3 years.

Sunesys hereby requests that the above-listed financial documentation be protected from public disclosure and be maintained by the Commission as confidential and kept under seal while in the Commission's possession. Such documentation contains non-public, material, confidential information of Sunesys, and in consideration of receipt of this documentation, the State of Florida agrees not to reproduce or make this information available in any manner to persons outside the group directly responsible for the evaluation of its contents. Public disclosure of this private, confidential information could subject Sunesys to unfair competitive disadvantage in dealings with vendors and other persons. This information is not currently available to the public in any substantially similar form. Sunesys takes all commercially necessary steps to prevent this information from being disclosed to the public. Sunesys requires, prior to the release of any of its confidential and proprietary information, that any such receiving party execute a fully negotiated non-disclosure agreement, as Sunesys takes all appropriate steps to ensure that our confidential and proprietary information is not released to anyone without their being full restriction on its use and potential redisclosure. All confidential and proprietary information releases by Sunesys, whether it is to a competitor or to any other entity, is appropriately marked as proprietary prior to delivery, along with cautionary statements regarding the use of such information.
