Subject: TG830

Paula, Lee was handling returned mail for this company and looked in the RAF system for any address updates. In the system, she found a 1/25/06 letter from the company forwarding 2005 RAFs, updating address, AND canceling certificate.

Can you please locate and print that letter and send it with a request to open docket to cancel their PATS cert?

Thanks.

Kay

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and to the media upon request.
