Good morning Cheryl. I have a copy of your memo dated 9-12-06 in which you are advising that the above dkt can now be closed since the utility has filed the required executed purchase agreement confirming the actual date of closing. Per order PSC-05-0429-FOF-WU 4-20-05, page 3 states "Ordered that Cert. 271-W be cancelled administratively upon receipt of the executed agreement confirming the actual date of closing." In your memo you did not mention anything regarding cancellation of the certificate. I need to know what date to use in MCD?? Please advise as we need to place the utility in "Inactive" status now that the dkt has been closed. Thanks for your help. Nonnye
