Subject: Renewables Rule Recommendation

Good morning. I have to leave at about 9:30 for a workshop downtown and don't know whether I will be back before Noon so I will submit the request to late file before I go. The form request states that the recommendation must be filed no later than 3 p.m. on the date approved for late filing so would you like me to ask for a Monday filing time? I will hand the form over to Tom Ballinger to submit in case I have to leave before you respond so please copy him on your reply.

Thanks! Chris
