BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and Purchased Power Cost Recovery )
Clause with Generating Performance Incentive Factor )

Docket No. 060001-EI
Date: September 19, 2006

STATE OF FLORIDA )
PALM BEACH COUNTY )

AFFIDAVIT OF GERARD YUPP

BEFORE ME, the undersigned authority, personally appeared Gerard Yupp who, being first duly sworn deposes and says:

1. My name is Gerard Yupp I am currently employed by Florida Power & Light Company ("FPL") as Director of Wholesale Operations in The Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information for which I am listed as an affiant in Exhibit C and which are included in Exhibit A to FPL's Request for Confidential Classification of Certain Information contained in Schedule E12 and Exhibits GJY-3, GJY-4, GJY-5 and GJY-6 in FPL's projected fuel cost recovery filing in Docket No. 060001-EI. The documents and materials that I have reviewed, and which FPL asserts in Exhibit C to be proprietary confidential business information, contain or constitute vendor-specific information regarding contract prices and other contract-related information. Disclosure of this information would impair the competitive interests of FPL and/or the vendors, as well as FPL's ability to contract on favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
