Re: City of Blountstown Tariff Filings

Dear Ms. Kummer:

We would like to thank you and others of the PSC staff for your assistance and patience with the City of Blountstown's filing of our revised tariff rate sheets. As mentioned in our recent discussions, Blountstown is currently in negotiations with Gulf Power Company over a new wholesale energy contract that we expect to be in effect on or about January 1, 2007. We will thereafter be revising our rates to reflect the new wholesale contract rates.

Pursuant to our August 24, 2006, discussion, the City of Blountstown hereby commits to improving the rate relationship between our commercial and residential rates as a part of that upcoming rate adjustment.

Sincerely,

Jimmy W. Hand
City Manager/Engineer
City of Blountstown
