0 is for the 2006 RAF and should be deposited as you normally would and \$100 should be deposited in the PSC Trust Fund for collection costs. The company proposed a \$100 settlement in Docket No. 050785-TI to resolve that RAF docket but for whatever reason, they did not pay the settlement and the company's registration was cancelled. The Regnum Group had called last week and said the company wished to reapply. I advised they had to pay everything on the old company code before they could reapply a new registration. Please provide Records proof of payment for Docket No. 050785-TI. Thanks.
