FPSC-COMMISSION CLERK

FMEA hereby expresses its support for FECA's proposed alternative rule ("Alternative Rule"). The Alternative Rule is the fruit of a collaborative process among FMEA, FECA, and PSC staff. FMEA believes the Alternative Rule accomplishes the Commission's goals, and at the same time alleviates the sub-delegation and other concerns raised in earlier comments.

FMEA appreciates the diligent efforts of PSC staff, and encourages the Commission to adopt the Alternative Rule.

RESPECTFULLY submitted this 29th day of September 2006.
