- B) Docket No. 060590-EI – Tampa Electric Company (“Company”) seeks the authority to issue, sell and/or exchange equity securities and issue, sell, exchange and/or assume long-term or short-term debt securities and/or to assume liabilities or obligations as guarantor, endorser or surety during calendar year 2007. The Company also seeks authority to enter into interest rate swaps or other derivative instruments related to debt securities during calendar year 2007.

The amount of all equity and long-term debt securities issued, sold, exchanged or assumed and liabilities and obligations assumed or guaranteed as guarantor, endorser or surety will not exceed in the aggregate \$900 million during calendar year 2007, including any amounts issued to retire existing long-term debt securities. The maximum amount of short-term debt outstanding at any one time including bank borrowings will be \$800 million during calendar year 2007.

In connection with this application, Tampa Electric confirms that the capital raised pursuant to this application will be used in connection with the activities of the Company’s electric and gas divisions and not the unregulated activities of its affiliates.

For monitoring purposes, this docket should remain open until April 11, 2008 to allow the Company time to file the required Consummation Report.

Recommendation: The Commission should approve the action requested in the dockets referenced above and close these dockets, with the exception of Docket No. 060590-EI, which must remain open for monitoring purposes.
