Re: Notice of intent to provide Commercial Mobile Radio Service and Request for Information Related to State Rules and Regulations Related Thereto.

Dear Sir or Madam:

Trans National Communications International, Inc. ("TNCI") is a duly certificated interexchange and competitive local exchange carrier within the state of Florida. TNCI anticipates providing Commercial Mobile Radio Service ("CMRS") to commercial customers within Florida at the beginning of 2007; as such, TNCI wishes to comply with any and all State regulations related to the provisioning of CMRS. To that end, TNCI respectfully requests that the Commission would take note of TNCI's intent to provide CMRS and provide the undersigned with citations to applicable State regulations related thereto, including registration, reporting and/or fee requirements.

TNCI sincerely appreciates your time and attention to this matter. Please direct any questions or comments to the undersigned at (617) 369-1163 or via email at cnance@tncii.com.

Respectfully submitted,

Cameron Nance
