CLOSURE OF DOCKET

In Order No. PSC-06-0533-PAA-TI, issued June 26, 2006, the Commission ordered that if Mercury Telco Group, Inc. (Mercury) failed to timely protest the PAA Order, the docket shall be closed administratively either upon receipt of the payment of the penalty, or upon cancellation of the company's tariff and removal from the register.

It was also ordered that if Mercury failed to pay the penalty in the amount of $80,000 within fourteen (14) calendar days after the issuance of the Consummating Order[1], the company's tariff shall be cancelled and its name removed from the register.

The Consummating Order, Order No. PSC-06-0627-CO-TI, was issued July 24, 2006. The company failed to protest the PAA Order and the amount of the penalty was not received within 14 calendar days after the issuance of the Consummating Order. Hence, Mercury's tariff should now be cancelled and its registration (Number TK024) should be removed from the register. This docket should now be closed administratively.
