3. CompSouth is a not-for-profit corporation whose members provide competitive telecommunications services in the State of Florida. CompSouth members are a group of companies whose members include UNE customers

of Embarq and whose interests will be substantially affected by this Commission's action on Embarq's request. Thus, CompSouth's members' substantial interests will be affected by this proceeding and CompSouth has standing to intervene.

4. Disputed issues of fact include, but are not limited to, whether it is appropriate to apply the requested surcharge to UNE customers.

5. Ultimate facts alleged include, but are not limited to, the fact that it is neither appropriate nor legal, pursuant to federal law, to apply Embarq's proposed surcharge to UNE customers.

6. Any determinations and actions in this docket regarding Embarq's surcharge request will affect the substantial interests of CompSouth members as CLECs operating in Florida. CompSouth has standing under Chapter 120, Florida Statutes, and applicable rules to be granted intervention in this proceeding.

WHEREFORE, CompSouth requests the Commission to enter an Order authorizing it to intervene as a full party to this proceeding.
