*Re: Fuel and Purchased Power Cost Recovery Clause with Generating Performance
Incentive Factor; Docket No. 060001-EI*

Dear Lisa:

On October 9, 2006, Progress Energy Florida, Inc. ("PEF") filed a Request for Confidential Classification for certain information in response to OPC's Twelfth Request for Production of Documents (No. 53). Unfortunately, PEF inadvertently included some non-confidential documents in that request. To correct this error, please find attached a revised "Exhibit C – Justification Matrix" which replaces the original filed on October 9, 2006.

Thank you for your assistance in this matter, and I apologize for any inconvenience that this may have caused

Sincerely,
