COMMISSION CLERK

Gentlemen:

Enclosed are copies of revised schedules of Service Fees, Primary and Secondary Line Extension Charges and Service Extension Charges as adopted by our Board of Trustees for Public Service Commission approval as follows:

- Fifth Revised Sheet No. 4.0
Second Revised Sheet No. 4.1
Original Sheet No. 4.2

The following changes were approved by our Board of Trustees:

Fifth Revised Sheet No. 4.0.

The Meter Test Fee was increased from \$20 to \$30
The Delinquent Fee for Late Payment was changed to \$10
from 10% of bill with a minimum of \$2 and a
maximum of \$20.

Second Revised Sheet No. 4.1 and Original Sheet No. 4.2.

Our line extension policy was revised, however it is
rather similar to our previous charge in that it compares the
revenue anticipated over a period time from the line extension to
the cost of construction for the line extension to determine if a
contribution in aid of construction is required. A formula (the
"revenue multiplier factor") was adopted.

These revisions were effective March 1, 2006.

Sincerely,

Roy Barnes (handwritten signature)
