8. Would these costs be avoided by discontinuing the disposal of treated effluent into Curlew Creek and providing the effluent to the City of Dunedin?

9. Would the utility be opposed to continuing discussions with the City of Dunedin? If so, why?

10. Would the utility be opposed to discussions with the City of Dunedin with the assistance of the Public Service Commission and the Department of Environmental Protection? If so, why?

Please provide the above information by November 14, 2006. If you have any questions, please call Jay Revell at (850) 413-6425.

Sincerely,

Troy Rendell
Public Utilities Supervisor
