Docket 060002-EG

Modification of request for confidential classification for certain material in staff audit numbered 06-040-4-1 "FPL Energy conservation Cost Recovery Clause Audit for the Year Ended December 31, 2005"

Based on this Email from FPL (Smith), I will reflect in the staff recommendation that the utility reduces its request for confidentiality for audit No. 06-040-4-1, documents 06113-06 and 05832-06, concerning staff audit working paper 44-3/1-1 to lines 26-27 and 32 only.

Thanks to all of you for help in this matter.

I request that this correspondence be placed in the docket file.

FYI - Is this all we need from them? Do they need to provide a letter or can we just move forward with the recommendation? Let me know.

I spoke with our folks in Miami and we will not claim confidential classification of the salary info. at issue -- Section A of WP 44-3 1-1.

Please let me know if we need to do anything further.
