RE: Docket No. 060507-TP – Request for approval of adoption of existing CMRS interconnection agreement between Embarq Florida, Inc. and Globalstar USA, LLC by Royal Street Communications, LLC.

By letter received July 24, 2006, Embarq Florida, Inc. filed a request for approval of adoption of the existing CMRS interconnection agreement, entered into between Embarq Florida, Inc. and Globalstar USA, LLC which was deemed approved in Docket No. 050299-TP. Royal Street Communications, LLC is adopting the CMRS interconnection agreement approved by the Commission in its entirety pursuant to Section 252(i) of the Telecommunications Act of 1996.

Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(i) requires that a local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved by the state commission to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement in its entirety.

Staff reviewed the agreement in this Docket on September 18, 2006. The filing met the criteria outlined in Section 2.07.C.5.b of the Administrative Procedures Manual in that it complies with Section 252(i) of the Act. Accordingly, with this Memorandum, the docket is hereby closed.)
