RE: Recommendation to Office of the General Counsel - Docket No. 060688-TL
Petition for Expedited Review of Growth Code Denials by the Number Pooling
Administrator for the Orlando exchange (Azalea Park).

On October 16, 2006, BellSouth requested additional numbering resources from NeuStar for the Azalea Park (ORLDFLAPDS0) switch. BellSouth requested additional numbers to meet a customer's request for 100 consecutive numbers, specifically in the format NPA NXX-56XX. On October 16, 2006, BellSouth's request for additional numbering resources was denied because it did not meet the months-to-exhaust utilization criteria required for additional numbering resources.

On October 18, 2006, BellSouth filed a petition requesting that the Commission overturn NeuStar's decision. In accordance with Commission Order PSC-02-0352-PAA-TL, (Docket No. 020087-TL) which approved an expedited process for the NeuStar code denials, staff has examined the BellSouth petition and has determined the following:

1. The carrier has demonstrated that it has a customer in need of numbering resources;
2. The carrier has shown that it is unable to provide services to this potential customer because of NeuStar's denial of the numbering resources;
3. The customer will not be able to obtain service from the provider of his/her choice because the carrier does not have the numbers available.

Since the three criteria of PSC-02-0352-PAA-TL have been met, please prepare an administrative Proposed Agency Action Order to be issued within seven business days of this memorandum (November 7, 2006), as outlined in the expedited code denial process order. NeuStar should be directed to provide BellSouth the needed numbering resources to meet its customer's needs in the Orlando exchange, Azalea Park (ORLDFLAPDS0) switch. Also, please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Everett "Butch" Broussard at (850) 413-6816.
