AT&T Communications of the Southern States, LLC Interexchange Carrier Flow Through Calculations

In accordance with Order No. PSC-03-1469-FOF-TL, AT&T Communications of the Southern States, LLC hereby submits its demonstration of the flow through of switched access expense reductions resulting from the switched access rate reduction tariff filings by Verizon Florida, Inc, and Embarq Florida Incorporated.

As shown below, AT&T has reduced its rates by more than the required flow through amounts attributable to the Embarq and Verizon access reduction tariff filings. This excess flow-through was made in anticipation of access reductions attributable to the BellSouth access reduction filing that has not yet been made. When the BellSouth access

		\$1.25		

Service Description:

State Cost Recovery Charge (In-State Connection Fee)

A monthly service charge that is applied to Customers subscribed to AT&T for long distance services associated with a residential telephone line or billed to a residential account. This charge reflects costs incurred by AT&T of providing in-state long distance service over AT&T's Customers' local exchange providers' networks. This monthly charge is applied if a customer has AT&T billable charges on their bill, including, but not limited to, monthly recurring charges or

minimum usage charges. This charge does not contribute towards any applicable minimum monthly charge. Customers in AT&T's Lifeline program are exempt from this service charge.

* The In-State Connection Fee rate was reduced from \$1.25 to \$0.00 effective July 1, 2006.
