RE:Docket 060003-GU, Request for confidential classification concerning certain staff working papers prepared during the Florida Public Utilities Company (FPUC) PGA Limited Scope Report Control No. 06-076-4-2, Documents 05834-06 and 06106-06

Dear Mr. Horton:

We have read FPUC's July 12, 2006, filing.

The utility desires a confidential classification for WP's 41-3, pages 12 and 15, but the utility did not get a copy of these working papers at the audit exit conference. Our research indicates the utility should have received copies of this material at the audit exit conference and the material is currently held by the Clerk in a temporary confidential status.
