Re: The Solaire, 155 Court Avenue, Orlando, FL 32801

Dear Mrs. Bayó:

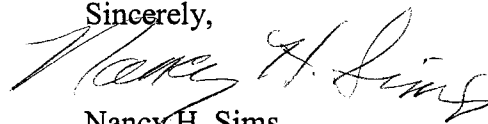

It is our understanding that The Solaire is a Wood Partners, LLC development that will include approximately 306 condominium units with first residents expected in/about January 2007.

The developer has informed us that it has entered into agreements that grant certain exclusive rights to Orlando Telephone Company relative to provision of voice services to residents and with Biltmore Communications relative to provision of video and data services to residents. The developer has further informed us that BellSouth may not place facilities within the building to reach units and provide service to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1), Florida Statutes, we are writing to inform the Commission that BellSouth has been restricted from installing its communications facilities during the construction phase of the above property. Accordingly, BellSouth is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreements with the other providers, and will not be providing service to residents at the property. If a resident inquires, BellSouth will inform the resident of the restriction of BellSouth service at the property.
