**RE:** Docket No. 060475-WS; Application for cancellation of Certificate No. 233-S in Pinellas County, by Ranch Mobile WWTP, Inc.

---

In Commission Order No. RSC-06-0869-FOF-SU, the Commission said that this company's certificate could be closed administratively after notification had been received that the regulatory assessment fees had been paid, and when service was being provided directly by the City of Largo.

The RAFs have been paid, and the staff has been notified by the company's attorney that the City is now providing service. The e-mail from attorney Martin Friedman is attached.

Tom & Ralph,

As of October 15, 2006, Ranch Mobile WWTP, Inc. is no longer providing wastewater service. That service is being provided to it prior customers by the City of Largo as of that date. I understand that the 2006 RAFs have been paid.

Regards, Marty

We will be filing a revised CASR in this docket to show the time needed for the City of Largo to be the provider of service, and to allow time for the 2006 regulatory assessment fees to be paid.

Do you have some dates that you would suggest for these two items?
