Re: Abandonment/Cancellation of IRG IXC and CLEC Certification in State of Florida

To Whom It May Concern:

Industry Retail Group Inc (IRG) hereby requests that its IXC and CLEC certification be cancelled/abandoned in the State of Florida. IRG is not facilities-based. IRG is a pure reseller of Layer 2 and Layer 3 IP Services, including: Internet Access, MPLS, Frame Relay and ATM. IRG does not sell traditional local/long distance telephone services of any kind. Upon discussions with your Competitive Markets Division, it has come to our attention that it is not necessary to have this IXC or CLEC certification. Thank you for your attention to this matter.

Please contact me at (240) 780-9052 with your questions or concerns.
