The effective date of the cancellation should be October, 24, 2006, which is the day that the regulatory assessment fees were paid. The payment of RAFs was the other item needed to meet the requirements of Commission Order No. PSC-06-0869-FOF-SU.

Have the RAFs been paid?

I have an e-mail from Marty Friedman that the City of Largo is now providing the service. If the RAFs are paid, we can close the docket.

Tom & Ralph,

As of October 15, 2006, Ranch Mobile WWTP, Inc. is no longer providing wastewater service. That service is being provided to it prior customers by the City of Largo as of that date. I understand that the 2006 RAFs have been paid.

Regards, Marty

We will be filing a revised CASR in this docket to show the time needed for the City of Largo to be the provider of service, and to allow time for the 2006 regulatory assessment fees to be paid.

Do you have some dates that you would suggest for these two items?
