Re: Alta Westgate Apartments – 6872 Alta Westgate Drive, Orlando, Florida 32812

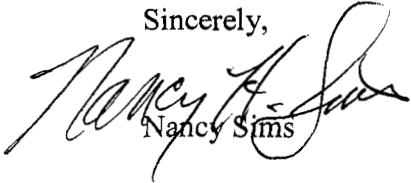

Dear Mrs. Bayó:

It is our understanding that Alta Westgate Apartments is a Wood Partners development that will include approximately 240 units with first residents expected in/about 3<sup>rd</sup> quarter, 2006.

The developer has informed us that it has entered into an agreement with Orlando Telephone Company (OTC) that grants to OTC certain exclusive rights relative to provision of communications services to residents at the development. Accordingly, BellSouth may not place facilities within the building to reach units and provide service to residents. The contact information for the developer is as set forth in the "cc" line below.

Pursuant to Section 364.025(6)(b)(1), Florida Statutes, we are writing to inform the Commission that BellSouth has been restricted from installing its communications facilities during the construction phase of the above property. Accordingly, BellSouth is relieved of its carrier of last resort obligation at the property, effective as of the date of the agreement with OTC, and will not be providing service to residents at the property. If a resident inquires, BellSouth will inform the resident of the restriction of BellSouth service at the property.
